Investigator and Advocate Model of Collaboration

Proposal Submission

1 Research Idea

LOI that was created in consultation with Advocate is approved and Investigator invited to submit their proposal to the CBCRP.

2 Contact

Investigator contacts advocate and they agree to work togther.

3 Collaboration

Investigator and advocate meet in-person via telephone or online to discuss the research. They discuss compensation, meetings, disemmination plans and letter of Commitment

4 Input/Feedback

Investigator sends the advocate a draft of the proposal to review, provide feedback and refine the language of the lay abstract.

5 Input/Feedback

Advocate reads final proposal and provides final feedback.

6 Input/Feedback

Investigator and Advocate finalize the letter of committment and have incorporated compensation, meetings and disemmination plan into the proposal.

7 Submission

Proposal is submitted to the CBCRP.

8 Notification

Investigator notifies the advocate if funded.
